

EMPLOYMENT OPPORTUNITY

Climate Change Community Liaison

Job Summary:

Reporting to the Director of Circumpolar Relations, this position will help enable Yukon First Nations to successfully adapt to the negative impacts of climate change and capitalize on the positive impacts. The position will be primarily tasked with supporting First nations governments and other organizations with First Nation membership, to develop climate change project ideas both mitigation and adaptation focused.

Educational Requirement: Post-secondary degree in environmental science, geography, anthropology, cultural studies, communications, or equivalent.

Candidates with an equivalent combination of training and/or work experience may be equally considered.

Salary: \$53,989.64 to \$67,486.42 per annum

Hours: Full time term to March 31, 2018, with a possibility of extension

Job Requirements: Travel to the communities and outside of Yukon

Condition of Employment: Valid Yukon class 5 drivers' license or equivalent

Additional Information: The closing date for this competition is **May 22nd at 4:30 p.m.** Only those candidates who are selected for an interview will be contacted. Secondments may also be considered to fill this position.
