## **ANNEX A – ACTIVITY SHEETS**

This Annex refers to the implementation of selected provisions of the CTFNSGA.

The activities described in the Annex reflect the agreement of the Parties as to the activities which the Parties expect to be performed in order to give effect to the referenced provisions.

The planning assumptions described in relation to a referenced provision reflect the circumstances considered or expected to arise in the implementation of that provision. Some planning assumptions also reflect steps or measures that the Parties assume will be taken, or limitations that may apply, in the performance of the described activities.

In the development of this Annex, it has been assumed that the Parties will deal by other means with matters required by the CTFNSGA to be addressed prior to the Effective Date or in the negotiation or ratification of the CTFNSGA.

The fact that an activity sheet does not cross-reference the CTFNSGA dispute resolution mechanism pursuant to CTFNSGA Chapter 24 should not be construed to mean that the dispute resolution mechanism is not applicable to that activity sheet.
