

# 5. Resources

This section contains different types of resources.

There are four sections:

- A) The first section contains a list of resources, such as websites, and documents, such as existing toolkits, manuals and DVDs.
- B) The second section, published by the Training Policy Committee, is a detailed list of all the available training programs in the Yukon.
- C) The third section shows how to find information on the Health Canada website about Treatment Centres.
- D) The fourth section contains medical travel information such as:
  - Contact information for First Nations Liaisons employed at health facilities in BC and Alberta.
  - Contact information for health facilities in BC and Alberta and lists of accommodations near these facilities.

The information about medical travel is in the process of being updated and improved. Please contact the Council of Yukon First Nations Health and Social Development Department at 867.393.9240 or the Yukon First Nations Health Programs at Whitehorse General Hospital if you require further assistance with this material.

This information can be shared with staff in other departments, volunteers or community members. The document can be sent electronically in an email or can be photocopied and distributed as you see fit.
