

## 6. Forms and Guides

This section contains several different documents that might be useful to health and social staff in the course of their work.

The following are included:

- Several guides on how to write briefing notes for different purposes.
- An events planning checklist form.
- A form to record grievances with health and social service providers.

These resources can be shared with other departments, volunteers or community members. The document can be sent electronically in an email or photocopied and distributed as you see fit.

These documents can also be modified to better suit your needs. Please contact the Council of Yukon First Nations Health and Social Development office if you have any suggestions for additions to this collection at 867.393.9240.
