"Holding up our dreams"

You are invited to attend the:

YFN Choice School Visioning

SESSION

Tuesday January 31st – Thursday February 2nd 2017
Kwanlin Dün Cultural Centre

This forum will be a facilitated session led by Darren Googoo from Membertou, Nova Scotia, Daryn Leas and Yukon First Nation educators.

Yukon First Nation Chiefs, Counsellors, Elders, Youth and First Nation Education Commissioners are encouraged to attend this important gathering as we begin to explore matters of legislation, jurisdiction and governance, and work towards building a common vision and unified platform on a Yukon First Nation Education System.

It is hoped that Chiefs will attend as we seek guidance and support to move this initiative forward.

CYFN Education can cover the travel costs of two (2) representatives (plus one (1) FNEC member) from each Yukon First Nation.

Please contact Rose Sellars at rose.sellars@cyfn.net or (867) 393-9243 to register your delegates (e-mail is better). Blocks of rooms are being held at the Yukon Inn and Days Inn - please state your hotel preference when registering.

**Yukon Government officials and staff, and staff under the Yukon Teachers Association are welcomed to attend as observers. Please RSVP Rose if you plan on attending.*
