

Little Salmon Carmacks First Nation

Together today for our children tomorrow.

Little Salmon Carmacks First Nation Immediate Travel Advisory

Attention: ALL TRAVELERS

During the last three days, active COVID-19 cases all over the Yukon have tripled; from 19 to 58.

Carmacks is one of the least vaccinated community in the Yukon; with about 50% residents still not vaccinated.

Therefore, we are asking all travelers to help us protect our elders, children, youth and adult by strictly observing the COVID-19 safety guidelines while passing through LSC/FN traditional territory.

WHEN VISITING

- Abide by all safety guidelines;
- Respect the 2 meter (6 feet) physical distancing;
- No unnecessary stops on LSC/FN traditional territory;

PLEASE DO NOT:

- Tour our Little Salmon Carmacks First Nation neighborhoods;
- Visit or stay at any First Nation facility that is closed;
- Camp on First Nation Settlement Lands without permission;
- Leave behind garbage, waste, sewage, etc. on our lands and waters.

Thank you for your cooperation.
